## Palladium Hotel Menorca

Imagine yourself bathing in a sea of tranquillity: crystal clear waters caressing soft sands, spectacular landscapes of cliffs and lush pine forests that reach to the top of the mountains. A place where you can find the perfect cove, where time slows down, where nothing else matters. A secret place to connect with nature and create priceless moments with your family, friends or partner. Discover the jewel of the Balearic Islands: Menorca, known for its relaxed atmosphere, pristine nature and rich culture influenced by the many civilisations that have settled there throughout its history. Let yourself be carried away by the winding narrow streets of Ciutadella or its lively capital, Mahón, full of cafés, bars and restaurants that will delight your palate with the island's traditional cuisine.

Experience the true essence of the island at the Palladium Hotel Menorca, a newly refurbished 4-star hotel overlooking the bay of Arenal d'en Castell. Explore every corner and cove or relax in our refreshing pools or modern rooms. Perfect for corporate events and special occasions, or simply to escape the weather and enjoy a true Mediterranean paradise.
